

Week 13: Interviews

Unit ILO: Conduct a mock interview and respond to workplace scenarios.

Tasks:

- **Learning Task:** Study common TSMC interview questions and appropriate responses.
- **Performance Task:** Participate in mock interviews and role-play workplace communication (e.g., reporting issues to a supervisor).

Language Focus:

- Phrases: "In my previous role, I...", "I believe my skills align with..."
- Vocabulary: Cross-functional teams, problem-solving, deadlines.

////////////////////////////////////

Session 1: Preparing for Interviews and Workplace Scenarios

1. Warm-Up:

- **Discussion Prompt:**
 - "What makes a good first impression in an interview?"
 - "What communication skills are essential in a workplace like TSMC?"
- Create a mind map of important qualities (e.g., professionalism, clarity, teamwork).

2. Input Activity: TSMC Interview Preparation:

○ Common TSMC Interview Questions:

- "Can you tell me about yourself?"
- "Why do you want to work at TSMC?"
- "Describe a time when you solved a problem in a team setting."
- "How do you manage deadlines under pressure?"

○ Analyse Model Responses:

- Break down responses into components:
- Introduction: Highlight relevant skills and experiences.

STAR Technique for behavioural questions (Situation, Task, Action, Result).

Example:

Situation: "In my previous role at [Company], I faced a production delay due to a supply chain issue."

Task: "My task was to identify the root cause and propose a solution."

Action: "I collaborated with a cross-functional team to adjust the schedule and source an alternative supplier."

Result: "This minimized the delay to just 2 days, meeting the client's deadline."

3.Guided Practice: Write answers to example questions and prepare for an interview:

Session 2: Mock Interviews and Role-Playing Workplace Communication

Learning Task: Mock Interview Preparation

Performance Task: Mock Interviews

Language Focus

• Key Phrases for Interviews:

- "In my previous role, I..."
- "I believe my skills align with your company's focus on..."
- "One of my key strengths is..."
- "This experience taught me the importance of..."

• **Key Phrases for Workplace Communication:**

- "I noticed that..."
- "I suggest we..."
- "One possible approach could be..."
- "Can we prioritize this task to meet the deadline?"

- **Vocabulary:**

- Cross-functional teams: Teams composed of members from different departments working together.
- Problem-solving: Identifying issues and finding effective solutions.
- Deadlines: The date or time by which a task must be completed.
- Efficiency improvement: Strategies to enhance productivity and reduce waste.

////////////////////////////////////

1. Warm-Up:

- Quick review of phrases for interviews and workplace scenarios:
 - "In my previous role, I..."
 - "I believe my skills align with..."
 - "One solution could be..."

2. Learning Task: Mock Interview Preparation:

- Students pair up and practice answering interview questions.
- Partners provide feedback on:
 - Clarity of responses.
 - Use of specific examples.
 - Confidence and body language.

3. Performance Task: Mock Interviews:

- Conduct structured mock interviews in small groups:
 - **Roles:** One interviewer, one interviewee, and one observer.
 - Interviewer asks 3–5 questions tailored to TSMC.
 - Observer provides feedback on content, delivery, and language use.
 - Rotate roles after 8–10 minutes.

5. Feedback and Reflection :

- Peer and instructor feedback on:
 - Clarity and professionalism.
 - Use of target phrases and vocabulary.
- Reflection questions:
 - "What did you feel confident about?"
 - "What would you improve in future interviews or workplace communication?"

Assessment Criteria

• Learning Task:

- Ability to draft clear and structured answers to interview questions.
- Effective use of workplace communication phrases during practice.

• Performance Task:

- Confidence and professionalism during mock interviews.
- Logical, well-structured responses with relevant examples.
- Active participation and appropriate language use in role-plays.
